

HELLO!

Welcome to our 2019 inspiration guide!

AllyYearbooks is the UK's largest yearbook company, we have been working with schools since 2002 and we love what we do!

It's fantastic to have the opportunity to work with you and lots of schools all over the world. We love seeing our customers starting with an idea and then with all of the tools and support from the AYB team, we see some fantastic yearbooks produced. We want to help you do the same! This book is a sample of our premium hardback, we have created and designed this to show off what our yearbook system can do. It also provides an example of how professional the finished product really looks.

The pages are filled with examples for you to use and bespoke for your own yearbook, be it different colours, styles, font, layouts, you can change it! If you don't have much time, you can use our templates. These are there to give you inspiration and ideas for your 2019 project, so once you have set up your yearbook, please give us a call and we can copy any of these layouts across for you. Alternatively, you can have a go at designing yourself. It's that easy!

FAVOURITE MEMORIES

My favourite memory has to be the Disneyland Paris Trip. We had so much fun and laughed constantly.

I also really enjoyed organising our Christmas fundraiser - it was nice to see so many lovely handmade items for sale at the craft fair, and for so many people to come out and watch the talent show - even in the terrible snowy weather.

What is your nickname?

My nickname, for some reason, has always been Bonga! Probably due to my surname!

Message to your future self?

If I could give one message to my future self, it would be to just be happy, in life, in love and with myself. Otherwise what's the point in all of this?!

Favourite memory?

It's gotta be when Joe was dancing in Drama and he fell off the stage, the best bit about it was that he got straight back up and continued the dance without even laughing! The show must go on eh?!

My confession...

My deepest darkest confession is that I never really did any of my homework in maths, I always got my dad to do it as he is a right maths wizz!

Mrs Barnard

Well, we've made it through the last two years together! It seems like only yesterday you all shuffled into my classroom that first Monday morning of term wanting to be anywhere else but here.

Whether you are moving onto university, or jumping straight into the big world of work, I'm sure you will all be incredibly successful in what you do.

Best of luck for the future,
Mrs Barnard.
